2017 Over The Fence Tour Info & Registration.... ...The 19th Edition.

Background

Those of you familiar with OTF will know it has a long history as the largest touring comedy film festival in Australia - we've spent the last decade and a bit taking new and independent Australian short films to almost every corner of the country. What you may not know is that we've been touring internationally since 2005. We've screened the festival, (without subtitles!) in Brazil, US, Malaysia, and UK. Regardless of the national language, the films were received with great laughter and enjoyment, proving to us that humour is fully capable of transcending language and cultural barriers. In response to this wonderful international reception in 1996 we opened the festival to international filmmakers, and the response from our audience has been nothing short of astonishing. We're so proud to be representing comedy short films from around the globe, all with an excellent sense of humour.

Mission

Over The Fence strives for excellence in curating and presenting comedy films that change the way we view the world. We celebrate new and independent filmmakers, their comic masterpieces and their excellent sense of humour. We are committed to encouraging and stimulating comedy film production worldwide, and promote comedy films that celebrate, entertain and inspire.

We are an organisation dedicated to championing independent and new filmmakers. We create a vibrant, stimulating, inspiring environment for filmmakers & audiences, and bring laughter, thought and joy to people.

Comedy filmmaker's from around the world show their bold, fantastic & wild imaginings in short films, and, each work is laced with an 'excellent sense of humour'!

Over The Fence is the biggest & coolest touring comedy film festival in Australia.

We say

"'Anything' can be said with an excellent sense of humour".

The 2017 collection of comedy films will have you; smile, grin, wonder, laugh and, most of all, have you consider their wild & wonderfully bizarre scenarios!

Some filmmakers may be available for radio/press interview on request, as will the festival organisers. (The program runs for 105 mins, and we recommend you include a 10-15 min intermission break).

The program will be provided on DVD discs or Thumbdrive, or if applicable DCP. If DCP we need detail of your system.

You will be required to provide the venue, DVD screening equipment (generally a DVD player, video projector, screen and sound system) and personnel (eg, projectionist, front of house staff, bar staff, MC).

You will also be responsible for any local publicity & promotions deemed necessary for the success of the screening in your centre and the associated costs, plus a fee to be selected from the following options:

\$440 flat fee, \$220 plus 20% GBO, or 50/50% GBO split.

NB.

Please check our entire program on 'your system' ASAP - such that, any problems we will be able to manage prior for your screening/s.
